

MLS High School/ Junior High Items for this year: (Along with normal supplies required for school)

Students will be asked to carry a backpack to reduce time in the hallway and keep traffic flow moving between class periods.

Students should bring a water bottle from home to fill up. Water fountains will only have bottle fillers open.

Students need to have a face covering or mask. Students will be required to wear masks during the time in between classes and in certain situations where social distancing is not possible. Class sizes in the high school will be reduced in order to allow for proper social distancing during class periods.
